

Alberta Opportunity Stream

List of Alberta Advanced Education Approved Post-Secondary Credentials For Post-Graduation Work Permit Holders

If you are admitted to and enrolled in an Alberta Advanced Education approved credential program **before October 1, 2018** this list **does not** apply to you.

If you are admitted to and enrolled in an Alberta Advanced Education approved credential program **on or after October 1, 2018** this list **does** apply to you. You must check the list of eligible Alberta post-secondary credentials below.

The date you started attending your Alberta credential program is the date the AINP considers you to be enrolled. This is the date you must use to determine whether this list applies to you.

The list of Alberta post-secondary certificate and diploma credentials eligible for the Alberta Opportunity Stream will be updated. There are some Alberta credentials that are ineligible. Factors for a credential to be ineligible include, but are not limited to:

- credential is not issued by an Alberta Advanced Education approved Alberta public and private post-secondary institution;
- credential is not an Alberta Advanced Education approved credential;
- credential is for a program of study for a certificate that is less than one year (two semesters) in length or program of study for a diploma that is less than two years (four semesters) in length; and/or
- credential is for a field of study that is not well matched with skills shortages in Alberta.
